

98 points – Richard Juhlin

"[...] This is a regal and heroic Bollinger characterized by restrained power and energetic energy. I love meeting this untouched force and carefully analysing its sublime elements, but at the same time I have to admit that we are dealing with a real "vin de garde" that will not reach its maximum capacity before its 25th birthday. The structure is impressive, based of course on the high acidity of the vintage in the first place. This very high acid means that the other building blocks can appear as subordinate, but they have a great wealth of both oak embossed secondary aromas and flaunted dark fruit. At present, the aromatic spectrum is characterized by fresh hazelnuts from Piedmont, green apples, critical minerals and perfumed orange blossoms. Buy a case of 12 and follow its aromatic journey to heaven [...]."
